## Stingray by John Johnson

Verse:

I like to drink, I like to party  
But I got to cut back cause it really wracks my body  
I know a freaky old lady named Mona Lisa  
She likes to flash her apples every time she sees ya

Chorus:

I'm a sting, I'm a stingray  
I'm a sting, I'm a stingray

Verse:

Blackhawk canyon on a Saturday night  
When the beer gets warm the bugs start to bite

Chorus:

I'm a sting, I'm a stingray  
I'm a sting, I'm a stingray

Bridge:

Sometimes you're big  
Sometimes you're small  
Sometimes you're nothing or all in all in all in all

Verse:

Little Lolly dancing out in a field  
The man in the hat knows exactly how I feel  
Naked as a beast in a waterfall  
Morning is breaking like a firewall

Chorus:

I'm a sting, I'm a stingray  
I'm a sting, I'm a stingray

Close:

I'm a stingray
