We were getting rowdy and feeling real bold
You're bound to be young until you get old

I was gonna take Physics but I couldn't learn to dance
So I bartered on a charter and took a trip to France
Juggle with a muggle by a puddle on the Hogwarts train
He was gonna sound profound all around but he couldn't find his brain
44 walruses dancing on the lawn
All the merry maids kinda wonder what you're on
Hey

If you string it with 16s then it'll be too hard to play
Jesus must be rich because how much he saves
Sally wore her thong to the beach but her hairs too long
The contestant won the money even though he was mostly wrong
All the Politicians are pretty full of crap
The dancer with the answer is sitting in your lap
Hey
Hey
