Spam Call

By John Johnson

**I'm home on the couch
Watching blather on TV
When the haze sets in
And I almost fall asleep**

**Then it's spam call
Another freakin' spam call
About an auto warranty
Or some other spam jubalee
It's a spam call**

**I'm sitting on a bus
Thinking through the rain
About the meaning of life
And why it's going down the drain**

**Then it's a spam call
Another freakin' spam call
About something I don't need
Or some other spam jubalee
It's a spam call**

**I'm on an interview
Smiling at a suit
We need to market our widget
Tell me what you would do**

**I said a spam call
Another freakin' spam call
Tell 'em the 2nd widget is free
Or some other spam jubalee
We need another spam call**

**I said a spam call
Another freakin' spam call
They're never what they seem
Another spam jubalee
Just another spam cal**
