Shadow

by John Johnson

**Follows you into to every room
Standing there whatever you do
In the dark and in the light
In the morning and late at night
Tossed three coins in the fountain fast
Somehow knew my money wouldn't last
Would have brought you home a prize
But life doesn't make any compromise**

Chorus:

**You can't hide
You can't hide
You can't hide
From your shadow**

**Jumping over an endless fall
Climbing up a slippery wall
Dodge the piles between the stones
Your sole/soul will carry that memory home
Sitting here next to you
Doing the things we always do
Playing the games we always play
I'm happy to be here with you today**

Chorus

**Waiting for morning by a lake
Wanting to go and just not wait
On a mountain, I felt apart
In the dark, I heard my heart
Sometimes I see you right behind
When I'm alone late at night
All you need for unconditional love
Is to give it back when it comes**

Chorus
