Van Gogh's Ear

by John Johnson

Verse:

**How can you forsake me
When I've been part of you so long
You're going to miss me more and more
The longer that I'm gone
Every time you look in the mirror
You'll see what's gone wrong
Nothing done to spite the face
Can ever be rewon**

Chorus:

**You'll never be the same
You're going to miss me every day
I'll love you for ever and ever
Wish that we could be together again**

**Blinded in the night
As I lay here on the floor
Longing for a way back
To be with you once more
We used to be as one
I could see through your eyes
With every feeling, every sound
I could read your mind**

Chorus

**Fear can lock you
So you'll never be free
You'll never be the you, you were
When you were with me
One day through impossible odds
I'll find a way to heal
Miracles can only happen
If you believe their real**

Chorus
