## **Arched Back Cat**

by John Johnson

**Like milking a cow with a sand paper glove  
How can I hate when I'm in love  
I've been a long time looking for you  
What the hell was I supposed to do  
I'm living up here in a tree  
Why can't everybody be like me  
I'm up here on the wall  
Like an arched back cat walking sideways down the hall**

**Bridge:  
Would have looked inside  
But it just gave you the crawls  
Like an arched back cat  
Walking sideways down the hall**

**Wish I had retractable claws  
Wish I had a tail because  
I'm the woodsy kind of guy  
Every night I howl at the sky  
I eat things lean and raw  
Hey what you looking at me funny for  
I ain't no threat at all  
Like an arched back cat walking sideways down the hall**

**Bridge:**

**Like a violent storm in a china cup  
The sky is down and the ground is up  
They have glow worms on the moon  
The Princess melted way too soon  
I'm drowning in a well of fools  
Been tattooed by the golden rule  
I've heard the unicorn call  
Like an arched back cat walking sideways down the hall  
Like an arched back cat walking sideways down the hall  
Like an arched back cat walking sideways down the hall**
