“Buy Me A Present”
(John Woog Johnson)

Merry Christmas, Happy New Year
Sometimes it's hard to be cheery
I got no toys and I'm kinda bored
Cause I don't get no presents anymore
I got nothin' under the tree
I got nothin' under the tree
I got nothin' under the tree
How about a little something for me
Why don't you buy me a present
Just a little something, wouldn't that be pleasant

Merry Christmas, Happy New Year
Sometimes it's hard to be cheery
I made a list, cookies and a cup
But year after year, Santa don't show up
I got nothin' under the tree
I got nothin' under the tree
I got nothin' under the tree
How about a little something for me
Why don't you buy me a present
Just a little something, wouldn't that be pleasant

Merry Christmas, Happy New Year
Sometimes it's hard to be cheery
You may think I'm crazy but I can dream
Peace is all the present that I need
I got nothin' under the tree
I got nothin' under the tree
I got nothin' under the tree
How about a little something for me
Why don't you buy me a present
Just a little something, wouldn't that be pleasant
