Everything's gonna be alright
by John Johnson

Verse:

Life may seem like a long bad dream
But Moses Mama dumped him into a stream
He turned out all right
Everything's gonna be alright
Stop your whinin' baby
Everything's gonna be alright

Verse:

You don't have no money, don't have a car
They just threw you out of a sleazy little bar
But tomorrows always different
Everything's gonna be alright
Stop whinin' about your life
everything's gonna be alright

Verse:

Your on a tall building looking straight down
Thinkin' of smashin' yourself into the ground
How's that gonna help
Everything's gonna be alright
Stop your whinin' baby
Everything's gonna be alright

Verse:

It's 2012 they've seen the seventh sign
Grab hold of your baby and kiss her one more time
Make her feel alright
Everything's gonna be alright
Stop whinin' about your life
Everything's gonna be alright

Verse:

Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
Stop whinin' about your life
Everything's gonna be alright
