Legs Akimbo
by John Johnson

Verse:

Everybody's gone legs akimbo
Happy - o - lucky me
Feel like swingin' from a tree
Mello, woolly, ripe and cool
Click my drink and when i see you

Chorus:

Don't know where or when that we go
Everybody gone legs akimbo
Watch the legs go high and then low
Everybody gone legs akimbo
Everybody gone legs akimbo

Verse:

Pretty girls dancin' all around
Skirts a flyin' near the ground
Whirling dervish put to shame
Feets won't ever be the same

Chorus:

Verse:

Let's go prancin' down the beach
We're so high we're out of reach
Shuffle step Lindy swing
I hope that girl will where my ring
