Nudist Colony
by John Johnson

Verse:

Sometimes I wonder what's going on
sometimes I wonder who I am
sometimes I want to be sad and quiet
sometimes I want to run naked in the grass

Chorus:

Wanna go to a nudist colony
I wanna walk around bare-assed
Wanna dangle in the company of nature lovers
Cuz when you're naked you've got some class

Bridge:

Oh baby I'm a butt naked boy
Oh baby I'm a butt naked boy
Oh baby I'm a butt naked boy
Oh baby I'm a butt naked boy

Like to go naked in the sand
I like to go naked in the field
I like to go naked everywhere
It makes me feel like the real deal

Chorus:

Somewhere there's a higher mountain
Somewhere there's
somewhere there's a woman who won't drive me crazy
Give me every damn thing that I need

Chorus:
