WHY OH WHY
By John Johnson

Went out cruising on a Saturday night
Had a feeling everything would be alright without you
You went and left me when I was on my knees
Didn't beg my pardon didn't say no please by your leave

Chorus:
Why oh why
Why oh why
Why did you say good-bye
Don't know when don't know why
Why oh why

I'm going to miss you baby there can be no doubt
You're just something I can do without, oh yeah
I tell you baby you are something to see
You just don't know what a drag you can be

Chorus
